

Brief Description of Data Workgroup Activities Since the 2003 Symposium:

Data Workgroup Meeting on October 31st in Houston (St. Luke's Hospital)

...We Discussed/Completed the Data Workgroup (Goal L) Framework

...We Developed Sub-Committees of the Data Workgroup (Technical Subcommittee Co-Chaired by Susan McBride and Gary Rutenberg, Communication & Education Subcommittee Chaired by Jason Sabo and Funding Subcommittee Chaired by Gail Bray)

Data Workgroup Meeting on January 30th in Irving (Dallas -Fort Worth Hospital Council)

...We Discussed the Presentation of CHARTing Health Information by Helena VonVille (UT School of Public Health at Houston)

Co-Chairs of the Data Workgroup usually have a conference call weekly to discuss activities.

Other Anticipated Milestones for 2004:

Data Workgroup Meeting on April 30th in Austin (TDH)

...Presentation/Discussion of Data Use Success Stories

...Presentation by TX Institute for Health Policy Research on the Enhanced Landscape Project

Data Conference/Symposium in the TSSHP Symposium (September 2004)

...Presentations/Discussions of Success Stories Using Local Data in TX Involving Private/Public Partnerships
